**(Receptionist) Hello,  
Welcome to ObamaGolf. My  
name is Trina. How can I  
help you?**

**(Customer) Hello, I received  
an email from Golfsmith  
stating that my Pro V1  
order has been canceled and**

**I should go to your exchange to reorder it. I tried your web site, but it seems like it is not working. So I am calling the 800 number.**

**(Receptionist) Yes, I am sorry about the web site. It should be fixed by the end of 2014. But I can help you.**

**(Customer) Thanks, I ordered some Pro V1 balls.**

**(Receptionist) Sir, Pro V1's do not meet our minimum standards, I will be happy to provide you with a choice of Pinnacle, TopFlite , or Callaway Blue.**

**(Customer) But I have played Pro V1 for years.**

**(Receptionist) The government has determined that Pro V1s are no longer acceptable, so we have instructed Titleist to stop making them. TopFlites are better, sir, I am sure you**

**will love them.**

**(Customer) But I like the Pro V1. Why are TopFlites better?**

**(Receptionist) That is all spelled out in the 2700 page "Affordable Golf Ball Act" passed by Congress.**

**(Customer) Well, how much are these TopFlites ?**

**(Receptionist) It depends sir, do you want our Bronze, Silver, Gold or Platinum package?**

**(Customer) What's the difference?**

**(Receptionist) 12, 24, 36 or 48 balls.**

**(Customer) The Silver package may be okay; how much is it?**

**(Receptionist) It depends, sir; what is your monthly income?**

**(Customer) What does that have to do with anything?**

**(Receptionist) I need that to determine your government Golf Ball subsidy; then I can determine how much your out-of-pocket cost will be. But if your income is below the poverty level, you might qualify for a subsidy. In that case, I can refer you to our BallAid department.**

**(Customer) BallAid ?**

**(Receptionist) Yes, golf balls are a right, everyone has a right to golf balls. So, if you can't afford them, then the government will supply them free of charge.**

**(Customer) Who said they were a right?**

**(Receptionist) Congress passed it, the President signed it and the Supreme Court found it Constitutional.**

**(Customer) Whoa.....I don't remember seeing anything in the Constitution regarding golf balls as a right.**

**(Receptionist) There's no explicit mention of golf balls in the Constitution, but President Obama is a former constitutional scholar and he believes it would have been included if the Constitutional had not been drafted by a bunch of slave-owning white men. The Democrats in the Congress and the Supreme Court agree with the President that golf balls are now a right guaranteed by the Constitution.**

**(Customer) I don't believe this...**

**(Receptionist) It's the law of the land sir. Now, we anticipated most people would go for the Silver Package, so what is you**

**monthly income sir?**

**(Customer) Forget it, I think I will forgo the balls this year.**

**(Receptionist) In that case, sir, I will still need your monthly income.**

**(Customer) Why?**

**(Receptionist) To determine what your 'non-participation' cost would be.**

**(Customer) WHAT? You can't charge me for NOT buying golf balls.**

**(Receptionist) It's the law of the land, sir, approved by the Supreme Court. It's \$49.50 or 1% of your monthly income.....**

**(Customer)(interrupting) This is ridiculous, I'll pay the \$49.50.**

**(Receptionist) Sir, it is the \$49.50 or 1% of your**

**monthly income, whichever is greater.**

**(Customer) ARE YOU KIDDING ME? What a ripoff!!**

**(Receptionist) Actually sir, it is a good deal. Next year it will be 2%.**

**(Customer) Look, I'm going to call my Congressman to find out what's going on here. This is ridiculous. I'm not going to pay it.**

**(Receptionist) Sorry to hear that sir, that's why I had the NSA track this call and obtain the make and model of the cell phone you are using.**

**(Customer) Why does the NSA need to know what kind of CELL PHONE I AM USING?**

**(Receptionist) So they get your GPS coordinates, sir**

**(Door Bell rings followed immediately by a loud knock on the door)**

**(Receptionist) That would be the IRS, sir. Thanks for calling ObamaGolf, have a nice day...and God Bless the Land of the Free and the Home of the Brave.**
